#### 1. Please provide your views on the Procedure Change Proposal, including any objections or suggested revisions:

Community supports the Procedure Change Proposal on the grounds that it principally affects System Management and the IMO and has been collaboratively agreed by them. We further note that the changes are incremental improvements to an esoteric IT specification.

---

- 2. Please provide an assessment whether the Procedure Change Proposal is consistent with the Market Objectives and the Wholesale Electricity Market Amending Rules.**

Community considers the proposal to be consistent with all the Market Objectives and in particular is necessary for the harmonious operation of the wholesale market.

---

- 3. Please indicate if the Procedure Change Proposal will have any implications for your organisation (for example changes to your IT or business systems) and any costs involved in implementing these changes.**

The proposal has no implications for Community.

---

- 4. Please indicate the time required for your organisation to implement the changes, should they be accepted as proposed.**
