

Amalgamation of MSATS CATS and WIGS Procedures

AEMO received the following response from Red Energy and Lumo Energy in the form of an email on 21/10/2024:

“Red Energy and Lumo Energy support the proposed amalgamation of the MSATS CATS and WIGS Procedures and agree with AEMO's proposal to apply a version number of 6.0 to the amalgamated version.

We have not identified any issues with the proposed drafting at this time.”
