## Executive Summary

The publication of this amendment paper (**Amendment Paper**) commences the process conducted by AEMO (**Consolidation Process**) in respect of the proposal (**Consolidation Proposal**) to consolidate relevant versions of the Retail Electricity Market Procedures (**Consolidating Procedures**) which have a shared effective date of 4 November 2024.

The Consolidating Procedures are:

- Metrology Procedure Part B v7.71 and 7.8.

AEMO has prepared this Amendment Paper to facilitate feedback by industry on the Consolidation Proposal in accordance with NER 8.9.4.

The Consolidation Proposal combines the Consolidating Procedures into Metrology Procedure Part B v7.81 in the form published with this Amendment Paper.

The Consolidation Proposal does not involve any substantive amendments to the Consolidating Procedures. The previous changes to the Consolidating Procedure were consulted on in 2023 and 2024, in accordance with NER 8.9. Accordingly, for the purposes of NER 8.9.4, the Consolidation Process is minor and administrative in nature.

An interested party which wishes to propose a change which was not addressed during these previous consultations should raise the change through the Electricity Retail Consultative Forum (**ERCF**) using the Issue/Change form.

AEMO invites stakeholders to submit written responses in respect of the Consolidation Proposal in this Amendment Paper to [NEM.Retailprocedureconsultations@aemo.com.au](mailto:NEM.Retailprocedureconsultations@aemo.com.au) by 5:00 pm (AEDT) on Monday, 28 October 2024.
